

CHBA is happy to announce an alliance with ProBonoUSA that will provide additional benefits to CHBA members at no cost. ProBonoUSA is a unique online searchable database of pro bono cases and transactional opportunities that allows attorneys to locate and identify a pro bono case in just moments. In keeping with the CHBA's commitment to pro bono practices, the ProBonoUSA system makes finding a pro bono case appropriate to an attorney's schedule and expertise quick and easy, so no time is wasted on simply identifying a suitable case.

In order to sign up to use the ProBonoUSA system, CHBA members contact Adam Espinosa, Pro Bono Committee chair, at [a.espinosa@csc.state.co.us](mailto:a.espinosa@csc.state.co.us). CHBA and ProBonoUSA will soon be offering a hands -on lunchtime demonstration and introductory session as well.
